

TRAVAIL ÉCRIT DU 15 JANVIER 2020

NOM ET PRÉNOM : Franchetti Thibaud

NOTE : .

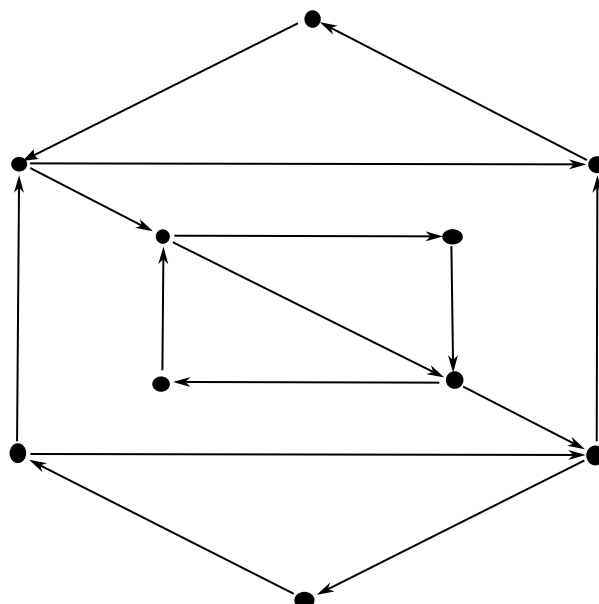

- » Le travail dure une heure et demie.
- » Les seuls moyens auxiliaires autorisés sont les formulaires officiels ainsi qu'un résumé personnel dont la longueur ne doit pas dépasser l'équivalent de deux feuilles A4 *recto verso*.
- » Lisez attentivement et complètement chaque énoncé avant de commencer la résolution d'un problème.
- » **La qualité de votre rédaction, la précision de vos explications et le niveau de détails de vos développements font également partie des critères d'évaluation de vos réponses.**

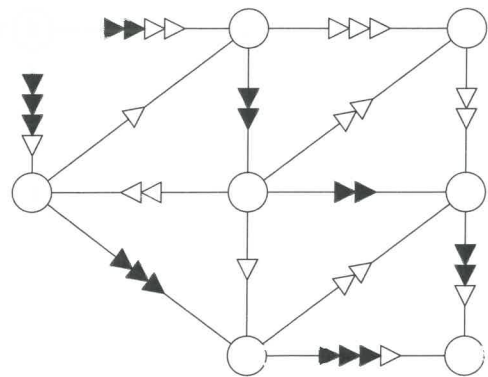

Problème 1

(5 pts)

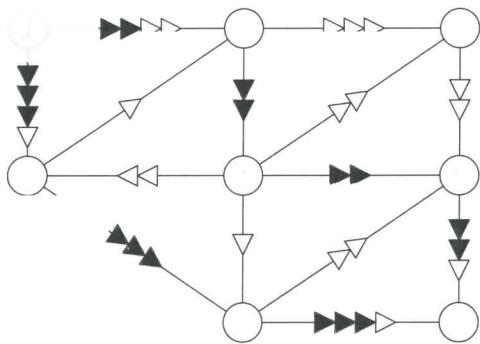

Vérifier que le graphe représenté ci-dessous contient un chemin eulérien. Justifier brièvement.

Construire ensuite un tel chemin. Préciser et commenter brièvement les différentes étapes de la construction et présenter clairement votre solution (en numérotant les arcs selon leur ordre d'insertion dans le chemin eulérien).

Fieldwork 2

10/10/20

On 10/10/20 I went to the field to observe the behaviour of the fish in the pond. I observed the fish in the pond and the behaviour of the fish in the pond. I observed the fish in the pond and the behaviour of the fish in the pond.

The fish in the pond were very active and they were very active. They were very active and they were very active. They were very active and they were very active.

The fish in the pond were very active and they were very active. They were very active and they were very active. They were very active and they were very active.

The fish in the pond were very active and they were very active. They were very active and they were very active. They were very active and they were very active.

The fish in the pond were very active and they were very active. They were very active and they were very active. They were very active and they were very active.

The fish in the pond were very active and they were very active.

The fish in the pond were very active and they were very active.

The fish in the pond were very active and they were very active.
